**Thirty Third Sunday
 Year B
 15th November 2015**

When everything around us seems to be toppling and chaos reigns, we are reminded of today's gospel passage. Yet, with Jesus beside us and within us, all can be relatively calm. The more we live in God's presence, the more peaceful we shall be, no matter what is happening around us. Even when everything is taken away, Jesus assures that his words will never pass away.

People's Climate March
Caring for our Common Home
 27 to 29 November - across Australia
 (Sydney March on Sunday 29 November)

As world leaders meet to discuss the future of our common home at COP21 climate talks in Paris, you are invited to join the People's Climate March and walk alongside millions of people in major cities around the world. Come along with your parish, family and friends for a colourful, vibrant, fun and united display of people power. Marches will be taking place across Australia from the 27th to 29th of November in Melbourne, Sydney, Brisbane, Adelaide, Perth, Canberra, Darwin and Hobart.

By marching together, we will show that we want an end to fossil fuels and a planned transition to 100% renewable energy. We will march to call on our politicians to support communities that are building a better, safer and fairer future for all. We will march because we must protect creation for the vulnerable and for future generations!

Stand with the Catholic community and show you care!

As part of the **Global Catholic Climate Movement**, we are calling on Catholics around the world to *"pray and mobilise as never before, to put into practice the Pope's **Laudato Si'** message"*. Cardinal Turkson, President of the Pontifical Council for Justice and Peace, said recently: *"The message of **Laudato Si'** needs to be integrated into the active commitment of citizens who organize to make the Pope's message resonate in the halls of power and who demand courageous action on the part of leaders and negotiators in favor of the poor and of the planet. On Nov. 29, this is what hundreds of thousands of men, women and children will do in the Global Climate March..."*

**Sydney, Sunday 29 November – Meet at St Mary's Cathedral Forecourt,
 St Mary's Road at 12pm.**

Please wear **purple** to the March as this colour will represent **'many cultures, many faiths - one common home'**. If you don't have any purple clothes, why not visit a second-hand clothes' store and find something that has been pre-loved!
